Better never stops...

20th October 2017

Dear Parent,

INDIVIDUAL, SIBLINGS AND FAMILY PHOTOGRAPHS

The school photographer will be in school on **Thursday 9th November**. All children who are present at school on this day will have their individual photograph taken. All sibling groups in school will also have their pictures taken together during the normal hours of the school day. Unfortunately if your child/children are not at school on this day they will not have their picture taken this year as there will be no "catch-up" opportunity.

We are also offering you the opportunity to have family group pictures taken at the start of the school day and at the end of the school day. In order for the family groups to be successful, it would be helpful for us to have names and approximate times that you will be able to attend. Once these details are received at school we can then set up a time-table and let you have a time slot that hopefully will save waiting around time. We politely ask that you arrive on time and ready for your photographs to be taken as the timetable is often very tight and if one person takes more time than allocated this has a knock-on effect for everyone.

We would like the children to wear uniform for the individual photos. Any number (within reason) can be in family groups so feel free to include grandparents, cousins – whoever!

Please complete the slip below if you would like a family group photograph before or after school and return it to Julie Holmes in the main school office no later than Wednesday 25th October 2017. Where possible we shall try to accommodate your request with regards to preferred time slots, however, this may not always be possible. If you have any queries, please call and speak to Julie Holmes in the office.

Yours sincerely
Julie Holmes
