18th September 2017

Dear Parents and Carers,

Vale of York Open Evening Thursday 5th October, 5.30pm-8.30pm

You may be aware that the Open Evening for Vale of York Academy has been arranged on the Thursday evening of the Year 6 visit to Carlton Lodge. We hope that you will still attend the open evening even though your child is away on the residential. Regardless of whether Vale of York is one of your preferences for the next stage of your child's education, the more schools you can visit before you complete the application, the more information you will have, so I would strongly encourage you to attend the event. The Open Evening runs from 5.30pm-8.30pm.

All the Year 6 children are attending another event at Vale of York on Wednesday 27th September and will be given a tour of the school and the chance to meet the Headteacher and other key staff as an alternative to the open evening.

If you would like to talk further about the open evening, or about the more general process of applying for a place at a secondary school, please do come and speak to one of us at a convenient time.

Many thanks,

D. Brown
Headteacher
