Dear Parents and Carers,

BIKES IN THE PLAYGROUND

We are always happy to see so many children cycling, scooting and walking to school and to see so many bikes and scooters in the bike sheds.

However we need to remind all parents that we ask that children and parents do not ride bikes and scooters in the school playground for safety reasons.

We have spoken to children about this, but would appreciate your help in making sure they remember to get off their bikes before they walk into the playground in the morning. At home time, please remind your children to walk with their bikes until they are out of the playground. There was a recent accident in the playground after school that required a visit to hospital so please support us with this important daily routine to avoid others getting hurt.

Please come and speak to me if you have any concerns or questions about this issue.

Thank you for your support in helping to keep the playground safe for all children in the school.

Best wishes,

Dave Brown
Headteacher
