10th November 2017

Dear Parents,

Times Table Rockstars

Times tables are a core part of the Maths curriculum and an area we want children to succeed in. With this in mind we are trialling, with a view to investing in, an online subscription called 'Times Table Rockstars'. It is a website where your children will be able to practise their tables daily in order to help them in Maths, in a fun and engaging way. They will receive certificates as a reward for their hard work.

They can practise on their own, compete against classmates or compete against other children around the world on a safe network. On the other side of this sheet is your child's log in details.

If you have any questions please come and speak to your child's class teacher or Mr Gardiner.

Many thanks,

Mr Gardiner

Maths Leader
