Dear Parents,

Year 6 Residential Visit October 2018

As you may be aware, our residential visit for current Year 5 children will take place next academic year in October 2018, when your child has started Year 6. This is a great opportunity for the children, an excellent way to build confidence and develop teamwork, and an experience they will always remember, setting them up for a positive year ahead as Year 6 pupils.

A meeting giving you more details about the cost, payment scheme and the trip will be held on Monday 5th March in the hall, at 3:30pm.

As a three day residential comes with a substantial cost, the first payments will be taken in April and spread out across the rest of the year, with the final payment needed in July 2018. Exact details of this will be given at the meeting on Monday 5th March.

Thank you for your support,

Mr Palmer
