## Year 2 Newsletter - April 2018

# Summer Fun!

It's the final term of the year already and there's so much more fun to be had before the summer break. We've been busy planning even more exciting activities and learning challenges to finish the year and can't wait to see what else our children can achieve.

Towards the end of the summer term we will be holding Parent Consultations once again and look forward to meeting you to reflect on the year and plan ahead for the future.

## Behaviour and Learning

At the end of each week in our Friday assembly, class teachers present 'Better Never Stops' certificates for learning and behaviour to recognise the achievements of pupils who have excelled that week. These children can then pick a treat out of our new prize cabinets as a reward for their efforts.

## Attendance

Aiming to be in school every day is really important. Our school goal is to reach the national average of 96% attendance for the year. Here's our new attendance display in the office which displays weekly class totals. Come and have a look...

## GFOL

Last term we were learning about The Great Fire of London and had a wonderful topic launch where we had a visit from the local fire station too. The children learnt all sorts of interesting facts over the term and we even wrote a persuasive letter to Mr Brown, asking for a trip to London! We used all the facts we had learnt to try and convince him but unfortunately we were unable to. Mr Brown's response was "Not until you are in Year 6!"

## Roald Dahl

Our topic this term is an author study and we have chosen to learn all about Roald Dahl. Over the course of the term we will be reading a range of his stories and using this to write some of our own. We kicked off this topic by reading 'The Enormous Crocodile' and 'The Twits', which we all loved and found very funny! We have begun to merge the stories and discussed trapping the crocodile with the 'hugtight' glue from Mr Twit.

## PE

Your child's PE day is **now FRIDAY** every week. The school PE kit required includes black shorts, a white t-shirt, trainers and a tracksuit for colder weather. Please ensure all kit is named accordingly. Kit is to stay in school for the entire half-term and be taken home in the May holidays for washing.

## Enrichment Activities

All Enrichment Activities are now live on 'Schools Buddy' for the Summer Term. There are a wide range of activities available for each phase both academic and sporting. Please encourage your child to join an activity and regularly attend these brilliant opportunities. If there are any questions, please see Mr. Palmer.

## Key Dates this term

30<sup>th</sup> April - Enrichment Activities start

3<sup>rd</sup> May - Tour de Clifton (morning)

4<sup>th</sup> May - Café Assemblies

7<sup>th</sup> May - School closed for Bank Holiday

22<sup>nd</sup> May - Lower Phase Sports Day 9:30am

22<sup>nd</sup> June - Enrichment Activities end

29<sup>th</sup> June - Café Assemblies

Further dates and details can be found on the school website including GreenFest on the 7<sup>th</sup> July.

## Library

Our 'Harry Potter' library is open for business! All families are welcome to come and borrow a book to take home and enjoy before or after school each day. Please sign out books using the notebook on the desk near the entrance and help us in keeping the area tidy for everyone.

## Bug Club and TT Rockstars

Please encourage your child to access Bug Club and Times Tables Rockstars at home regularly. These websites provide valuable learning support for key skills which will help your child to experience success in Maths and English. If you have any questions or queries, please pop in to see your child's class teacher.
