8th June 2018

Dear Parents,

Year 3 Trips to Science and Media Museum – Monday 25th/Wednesday 27th June

The children in Year 3 have worked hard this year and this half term have been focusing on Light in Science. To celebrate this, we are visiting The National Science and Media Museum in Bradford.

The children will go in their classes over the course of two days. Below are the dates each class is going.

3JH – Monday 25th

3G – Wednesday 27th

Although school will subsidise the trip, we ask that you make a £5 contribution to cover the cost. Please pay for this using your Parentpay account. We will eat there so your child can either bring a pack up from home or order a school pack up.

Thank you for your support and if you have any questions please come and speak to us.

The Year 3 team
Clifton Green
