7<sup>th</sup> December 2018

Dear Parent,

### Archaeology Workshops – Years 2 to 6

As part of our 'Looking Back' topic this half term, we have arranged for archaeologists from the Jorvik Centre to come into school to develop children's understanding of the past. Next week, children in Years 2, 3, 4, 5 and 6 will spend time with the archaeologists examining artefacts, exploring dig pits and learning about the skills needed in this profession. A whole school assembly will launch the week and staff from Jorvik will also be part of Café Assemblies at the end of the week too to share their work with families.

The workshops will be held on:

Monday 10<sup>th</sup> December – Year 6

Thursday 13<sup>th</sup> December – Year 2 and Year 3

Friday 14<sup>th</sup> December – Year 4 and Year 5

**In order to support school in covering the costs for this fantastic opportunity, we are asking families for a £2 donation to be paid to your child's class teacher by Friday 14<sup>th</sup> December.**

During the early part of the Spring term, the link between Jorvik and Year 6 will continue as children will be working with the team of archaeologists to present information about Viking times at the York Viking Festival in February.

Thank you for your continued support and if you have any queries, please do not hesitate in getting in touch.

Many thanks,

Nicki Jones  
Deputy Head
