Better never stops...

Monday 7th January

Dear Parent,

Y6 Updates – Mobile Phones and PE

Mobile Phones

Some Y6 children have begun to bring mobile phones into school and we appreciate these may be needed because your child walks home from school on their own. As a school, we have a policy of not having phones in school as they can be a distraction and may get lost or broken. As a result, children are expected to hand their phones into their class teacher each morning and they will be kept in the safe in Mr Gardiner's class until the end of the day.

You may be aware, if your child has been involved, that there have been some incidents on social media and online which have been brought to school's attention. At school we will be discussing and reminding children about being respectful and safe online. This includes the below points and is something we would like you to discuss at home too:

- Remind children to respect other people online and be kind, as they would in person
- Remind children to share any concerns they might have about things they see online
- Agree rules with children for using the internet
- Remind children not to share personal information online
- Remind them about only interacting with people they already know online
- Encourage children to share and talk about what they like to use online

PE on Monday

Due to a slight change in our timetable, PE will now be on a Monday afternoon. This will be outside so children will need tracksuit bottoms and a jumper as part of their PE kit as the weather is now colder.

Please come and ask us if you have any questions,
Year 6 Team
