Termly Overview
Spring 2 2019

Whole School Theme:
What a Wonderful World

Year 6 Topic:
What a Wonderful World

English

- Non-chronological report about monsters to include details about their features, habitats, diet and any interesting facts.
- A range of writing linked to our reading texts including diary entries, letters and recounts.

Maths

We will be working on our problem solving skills with a particular focus on the language of different problems. We will be using all the knowledge that we have learnt so far.

Science

The Human Body
We will be learning about the circulatory system including the heart, lungs and veins and arteries.

Computing

Data Handling
We will be collecting, presenting and interpreting information linked to the environment and our topic.

Art and
Design

We will be designing, making and evaluating puppets linked to our 'Wonderful World' and monsters themes.

PE

In PE, we will be developing our rugby skills including an inter-house tournament at the end of the term.

Geography

As part of our What a Wonderful World topic, we will be developing our geography skills: working with maps, investigating physical and human features and investigating different locations around the world.

PSHE

We will be discussing and using the ethos of GREAT DREAM in order to live a happier life and be more resilient.
