apply for a school place

Before applying for a school place we recommend that you read the Guide for Parents at york.gov.uk/guideforparents as it contains key advice and information on the application process. Applying online is quick and easy and you will receive the results of your application by email.

When you apply you can express up to **five preferences**, and rank them in the order you prefer. We strongly recommend that you use all five preferences and that you name your **catchment school** as one of these preferences.

We operate an **equal preference system**, which means that if you submit preferences for five schools, we consider each of these preferences separately on it's own merits according to the oversubscription criteria for that school.
