Dear Parents and Carers,

Special Educational Needs Team

Following the departure of Helen McDonald last term, we would like to inform you that Helen Sawdon will be joining Clifton Green this term to support Penny Vity in leading and managing the Special Educational Needs provision across school. As an experienced SENCo and Deputy Head teacher, we welcome Helen's expertise and experience and know that she will be a great addition to our team.

We encourage all parents to talk to their child's class teacher initially if they have any concerns about their child but if you require an appointment to discuss your child's needs with either Penny or Helen, please contact the school office who will be happy to help. As Helen currently works three days a week in another school outside of York, she will be in Clifton Green each Tuesday and Thursday this term. Penny Vity will be available in school Monday to Thursday.

As always, school actively promotes a working partnership between parents and staff in order to improve outcomes for our children so please do not hesitate in making contact if necessary. We look forward to continuing the good work already established by Miss McDonald and supporting our children and families with any specialist provision that may be required.

Thank you for your ongoing support,

Nicola Jones
