Tuesday 7th January 2020

Dear Parents and Carers,

Attendance Slips for Autumn 2 Half-Term coming home on Friday (10th)

This Friday, 10th January, your child will bring home a small slip which has their attendance for the Autumn 2 half term (November-December). This is to raise awareness of attendance as part of our ongoing effort to keep our whole school attendance above 96% and to highlight how important each day at school is.

The slip you receive will give the percentage of school attended, the number of days missed and how this compares to their peers. There will be a different slip depending on whether your child has one of the following:

- Attended every day;
- Above average attendance;
- Average attendance;
- Below average attendance.

Children who have average attendance at Clifton Green will have attended 96% of the time meaning they have missed 1½ days of school last half term.

We are beginning these half-termly so that families understand their children's attendance figure and can make improvements if necessary. Additionally, we fully understand that where a child has specific medical needs it is difficult for their attendance to be to the average level and we will continue to work and communicate with those few families who this effects.

Please check your child's book bag on Friday for the slip and speak to your class teacher if you have any initial questions.

Thank you for your support,
George Gardiner
Assistant Headteacher
