Better never stops...

18th March 2020

Dear Parent/Carer,

School Update

As Coronavirus continues to affect everyone, we are constantly reviewing the situation in school. Below is some key information for while we are still open:

- Unfortunately, we have made the decision to cancel all Enrichment Activities for the foreseeable future in line with government guidance regarding non-essential activities.
- After School Club is running with cover staff and will not continue after Friday 20th March.
- Breakfast Club will continue to operate as normal.

We know that this will disappoint some families but please be reassured that these are not decisions we have taken lightly. We must take all necessary steps to protect children and staff to ensure our school operates safely.

Every child in school today will receive a Home Learning Pack (further information enclosed) which provides you with resources to continue learning should school close or children self-isolate. For Years 3, 4, 5 and 6 resources will be shared online via Google Classroom. **If you would prefer a paper copy, please let school know as soon as possible.**

If your child is not in school currently, Home Learning Packs can be collected from the school office on Thursday or Friday. Please arrange for collection with family, friends or neighbours if you are unable to come yourself.

We would love to see some of the activities children complete during their time away from school so please feel free to share photos/videos with our Facebook page or email us at: homelearning@cliftongreenprimary.co.uk.

Updates from school will continue to be provided via our Facebook page, Weduc and the school website <https://www.cliftongreenprimary.co.uk/> (click 'menu' and select 'Coronavirus Update').

Thank you for your continued support and understanding.

Many thanks,

Nicola Jones
Headteacher
