### Home Learning – Nursery and Reception

**At this point school remains open** however we have been busy preparing activities for children to be able to continue their learning from home during self-isolation or if school is forced to close. For each child, we have created a pack containing: a 'Fun Things to do at Home' activity sheet, 'Our Favourite Websites' list and a pencil.

We will also be sending home reading books with each child and a selection of additional paper-based activities which will supplement their learning. Please regularly check Tapestry as teachers will be posting challenges for children to complete at home. We would love you to continue to post children's learning and experiences using Tapestry.
