Home Learning – Year 3, Year 4 and Year 5

At this point school remains open however we have been busy preparing activities for children to be able to continue their learning from home during self-isolation or if school is forced to close. For each child, we have created a pack containing: a 'Fun Things to do at Home' activity sheet, 'Our Favourite Websites' list and an exercise book and pencil. We will also be sending home reading books with each child.

In addition to the above, for children in Year 3, Year 4 and Year 5, teachers have been preparing activities which we will be sharing through Google Classroom. This is an online learning platform that children in these year groups are already familiar with. It is very easy to access through a range of devices e.g. iPads, Android tablets, laptops, Chromebooks and phones and it will enable children to continue their learning outside of the classroom. If you are using a tablet device, you will need to download the Google Classroom app from the App Store or Google Play or alternatively, using any device, you can log in at classroom.google.com.

Once you have downloaded the app or visited the web page, please follow the onscreen instructions to login and use your child's details below to access their work:

Username: @cliftongreenprimary.co.uk

Password:

Once they are logged in, your child's classroom will appear and they will be able to see the assignments that have been set by their teacher(s). Many of these activities will need to be followed on-screen with answers being recorded in the exercise book that has been sent home. Teachers will be updating these resources regularly so please encourage your child to log-in frequently to the site.

There are a couple of other key websites that children use in school and the associated login details can be found overleaf to help you access these resources.

If your child does not have access to the internet, please let a member of the team know as soon as possible so that we can prepare paper copies of activities to send home.
