8th September 2017

Dear Parents and Carers,

Welcome (Back) and a Goodbye...

We have had a great first week back and are looking forward to the term ahead – thanks to all of you for your support as the new school year has got underway. As well as the 60 new pupils starting in Reception we have around another 30 children who have joined us in Nursery or other parts of school. If your family is new to Clifton Green then we hope you have settled in and feel positive about the months and years ahead – any questions or concerns please come and speak to any of us.

As well as new children we have some new staff who have joined us. Miss Ray in Early Years, Miss Hobson in Year 1, Miss McClelland in Year 5 and Mr Smith in Year 6 – welcome to all of them. We are also saying goodbye to someone, although not for a few months until the end of December as Mrs Goyea is leaving Clifton Green to take over as Headteacher at St. Paul's Primary School in Holgate from January 2018. We will have the chance to say goodbye and thank you to Mrs Goyea nearer the time and will keep you informed of news as we appoint a new Deputy Headteacher at Clifton Green.

Dates and details of events for the term ahead will be sent home soon but in the meantime can be found on the school website.

Yours sincerely,

D. Brown
Headteacher
