## Subject: Parent Consultations

Dear Parents/Carers,

Despite the difficulties with arranging face to face meetings with your child/rens' class teacher/s, we still want to offer you the opportunity to hear about your child/ren's progress at the start of the school year. We will be offering 10 minute telephone calls with class teachers over 2 dates before half term with time slots available from 3 - 7pm. This will be a chance to discuss how your child has settled into their new class including information about attendance, behaviour and learning.

More information can be found in the link below.

Please fill out the Google form **by Wednesday 14th October** to help us identify a time suitable for you to take a call. We look forward to confirming your appointment at the end of next week.

Thank you for your continued support.

Best wishes,
